Jawhar Hmidi.

I am a highly motivated and passionate student with a deep interest in programming and development. I thrive in competitive environments and am dedicated to hard work. My enthusiasm for computer science drives me to continuously learn and master new technologies. I am committed to giving my all, viewing this field not just as a career path but as my true passion and future profession.

Education

2023 – 2025 Bachelor Degree in computer science – Information Systems & Software Engineering
[ISIM](#) Medenine, Tunisia

09/2022 - 06/2023 Studied first year of Bachelor Degree in computer science
[FSM](#) Monastir, Tunisia

09/2021 - 06/2022 Computer science Baccalaureate degree with good mention
[High school Technique](#) Medenine, Tunisia

Trainings and Competitions

21/04/2024 Participated in the EcoGuardians Machine learning Workshop and competition by club IEEE
[ESSAT](#) Gabes, Tunisia

29/02/2024 Member of the team that won second place in problem solving competition by X-days ISIMG
[ISIM](#) Gabes, Tunisia

02/12/2023 Participated in introductory formation in robotics and electronics by AJST ISIMED club
[ISIM](#) Medenine, Tunisia

19/11/2023 Member of the team that won hackathon ISIMED web\mobile dev
[ISIM](#) Medenine, Tunisia

Computer Science Skills

-Programming Languages:

-JS | TS | Python | Java | C# | C/C++ | Php | SQL.

-Frameworks / Databases / Libraries:

-NextJs | NestJs | Vite React | NodeJs | ExpressJs | TailwindCss | Bootstrap
| MongoDB | PostGreSql | SupaBase | Canvas HTML | WebSocket.

-Ai:

-Machine Learning | Neural Network.

-ORM Libraries:

-TypeOrm | DrizzleOrm | Mongoose.

Volunteering

2023 – 2024 Workshop trainer for ICPC Club
[Institut supérieur de l'informatique](#) Medenine, Tunisia

2023 – 2024 Reporter, Vice president for ICPC Club
[Institut supérieur de l'informatique](#) Medenine, Tunisia

Internships

07/2024 – 08/2024 Full stack developer
[DevaAtoon](#) Medenine, Tunisia
